Lifesaving Award

Section 4 Application Checklist

- Complete form Sections 1, 2 & 3 by typing in each shaded field and printing
- Attach type written summary describing specific accomplishments
- Attach any Supporting Documentation

The Southern Oregon Safety and Health Conference Lifesaving Award recognizes an individual who used skills learned on the job to save the life of another person, or demonstrated heroic efforts to save a life. Applicants must complete the appropriate parts of the application form on the reverse side and submit information that presents the details of the account and states why you feel this person deserves the Lifesaving Award.

Details about lifesaving account (Use this field or attach type written summary):

Persons eligible for this award do not perform lifesaving as a part of their regular job duties and have completed their lifesaving efforts between:

August 1, 2018 and July 31, 2019

This award will be evaluated annually and presented on merit.

If selected, a photo will be requested.
