

Safety and Rescue Training
for high-hazard work activities

Our programs reflect:

ANSI/ASSE Z490.1 *Criteria for Accepted Practices in Safety, Health, and Environmental Training.*

Confined Space > Train the Trainer

OSHA requires every employer to identify their permit-required confined spaces, develop entry procedures and train/equip team members.

In this class you will learn the full scope of the regulations, the best means of identifying and controlling hazards, and how to train entrants, attendants and entry supervisors.

Students receive a scripted trainer's guide, student manuals, an animated PowerPoint presentation, sample permits, and other resources.

Where:

Homewood Suites
Medford, Oregon

When:

November 17-18, 2020
8 am—5 pm

Cost:

\$595/person
