- Attach type written summary describing specific accomplishments
- Attach any supporting documentation that supports accomplishments

### The Southern Oregon Chapter ASSP Safety Professional of the Year (SPY)

**Award** acknowledges the dedication and outstanding contributions of an ASSP member to the safety and health of their employer organization or Chapter region. The nominee must be a member in good standing of the Chapter and Society, must not have won this award in the past five years and must work full time in the profession of protecting people, property and the environment.

Nominees will be judged on any of the following: Technical expertise in the broad field of safety; Demonstrated outstanding contributions to the Chapter, Region, Society, Practice Specialty, committee or task force; Professional contributions to advance the safety profession; Honors, awards, or citations received; Development of innovations, procedures or systems; Leadership in safety field and/or community; Improvement of programs and/or policies; Other personal achievements related to safety and health.

This award will be evaluated annually and presented on merit.

**If chosen for award, a photo will be requested. Award winner will be recognized at Southern Oregon ASSP events and be nominated to receive the Regional SPY Award if qualifications are met.**
