Business Leader Who Gets It Award

Section 3 Application Checklist

- Complete form Sections 1 & 2 by typing in each shaded field and printing
- Type written summary below describing specific accomplishments or on separate page as needed
- Attach any Supporting Documentation

The Business Leader Who Get's It Award recognizes a business leader who has demonstrated an outstanding commitment to safety and health. This nomination will show how this leader has set the pace for safety in their organization going above and beyond the minimum requirements based on a core value to keep employees safe. This nomination should also explain the fruit of their efforts based on reduced injury rates, hazard elimination, and cultural elements that prove that the organization has benefitted from this leader's efforts.

Written Summary (Or attach a separate page as needed):

Persons eligible for this award may not be a full time safety professional and must have a leadership role in their organization such as Principal, Manager, Controller, CEO, CFO, President or Owner:

This award will be evaluated annually and presented on merit.

If selected, a photo will be requested.
